Annual Report - 30 June 2021

DIRECTORS' REPORT FOR YEAR ENDED 30 JUNE 2021

The Directors of Guardian Securities Limited (the "Responsible Entity"), the Responsible Entity of The Guardian Investment Fund (referred to hereafter as the "Fund"), present their annual report together with the financial statements of the consolidated entity (referred to hereafter as the "Consolidated Entity"), consisting of the unit trust and the special purpose vehicles it controlled for the year ended 30 June 2021, and the auditor's report thereon.

Directors

The following persons were directors of Guardian Securities Limited during the whole of the financial period and up to the date of this report, unless otherwise stated:

Guy Hasenkam Steven Maarbani

Craig Hart Resigned on 20 November 2020

Principal activities

The Fund is a registered managed investment scheme domiciled in Australia and was formed mainly to invest in the commercial, industrial, retail and residential property sectors on behalf of the Fund's investors. The Fund invests through special purpose vehicles established for each investment opportunity, each of which form part of the Consolidated Entity.

The Consolidated Entity did not have any employees during the period.

Scheme information

The Fund is a registered managed investment scheme under the Corporations Act 2001. The Fund was registered on 28 February 2014 and will terminate in accordance with the Constitution.

The registered office and principal place of business of the Responsible Entity and the Fund is Level 1, 800 Kingsford Smith Drive, Eagle Farm, QLD 4009.

Review of operations

The net loss from ordinary activities, after income tax and before distributions to the investor, for the year ended 30 June 2021 amounted to \$1,810,110 (2020 loss: \$78,199). The current year loss is mainly attributed to the recognition of impairment of \$1,878,255 from the Investments in Rosedene, and net losses from sub-funds Fundus Trust No. 1, Fundus Trust No. 2 amounting to \$3,565,261, as well as the decrease of interest income from the preference shares. Refer to Note 22 for further details.

Scheme assets

At 30 June 2021, the Consolidated Entity had total asset of \$33,449,913 (2020: \$43,586,855), which were primarily invested in preference shares, various residential and commercial development properties in Australia, bank deposits and shares in unlisted start-up company. The Consolidated Entity had 855 investors (2020: 726) through various classes of units.

Responsible entity

The following fees were paid/payable to Guardian Securities Limited out of the Consolidated Entity's property during the financial year:

	2021 \$	2020 \$
Management fees paid/payable by the Consolidated Entity	839,032	731,783

DIRECTORS' REPORT FOR YEAR ENDED 30 JUNE 2021

Review of operations (cont'd)

The Responsible Entity and its associates had no funds invested in the Consolidated Entity at balance date.

Distributions

Distributions paid or payable by the Fund since the end of the previous financial year were \$1,276,857 (2020: \$3,134,675).

Investor Funds

The Consolidated Entity paid \$7,049,975 of net investor funds during the year (2020: net received \$9,931,831). The net balance attributable to investors as at 30 June 2021 is \$33,449,913 (2020: \$43,586,855).

Significant changes in the state of affairs

The only significant change in the state of affairs related to loss of control of subsidiaries Fundus 1 and Fundus 2, as was explained in the review of operations section above. In the opinion of the Responsible Entity, there were no other significant changes in the state of affairs of the Consolidated Entity that occurred during the year under review other than as disclosed in the review of operations and principal activities.

Matters subsequent to the end of the financial year

No matters or circumstances have arisen since 30 June 2021 that have significantly affected, or may significantly affect the Consolidated Entity's operations, the results of those operations, or the Consolidated Entity's state of affairs in future financial years.

Likely developments

The Consolidated Entity will continue to pursue its policy of increasing returns through active investment selection.

Further information about likely developments in the operations of the Consolidated Entity and the expected results of those operations in future financial years has not been included in this report because disclosure of the information would be likely to result in unreasonable prejudice to the Consolidated Entity.

Environmental regulations

The Consolidated Entity is not subject to any significant environmental regulation under Australian Commonwealth or State law.

Indemnities and insurance premiums for officers or auditors

The Constitution of the Responsible Entity requires it to indemnify all current and former officers of the Responsible Entity (but not including auditors) out of the property of the Responsible Entity against:

- a. any liability for costs and expenses which may be incurred by that person in defending civil or criminal proceedings in which judgement is given in that person's favour, or in which the person is acquitted, or in connection with an application in relation to any such proceedings in which the court grants relief to the person under the Corporations Act 2001; and
- b. a liability incurred by the person, as an officer of the Responsible Entity or of a related body corporate, to another person (other than the Responsible Entity or a related body corporate) unless the liability arises out of conduct involving a lack of good faith.

DIRECTORS' REPORT FOR YEAR ENDED 30 JUNE 2021

Indemnities and insurance premiums for officers or auditors (Cont'd)

During the financial year, the Responsible Entity paid an insurance premium in respect of a contract insuring each of the officers of the Responsible Entity. The amount of the premium is, under the terms of the insurance contract, confidential. The liabilities insured include costs and expenses that may be incurred in defending civil or criminal proceedings that may be brought against the officers in their capacity as officers of the Responsible Entity or related body corporates. This insurance premium does not cover auditors.

The Consolidated Entity has not indemnified or insured directors or officers.

Auditor's independence declaration

A copy of the auditor's independence declaration as required under section 307C of the Corporations Act 2001 is set out on the following page.

This report is made in accordance with a resolution of directors, pursuant to section 298(2)(a) of the Corporations Act 2001.

On behalf of the board,

3 May 2022 Sydney

Steven Maarbani

AUDITOR'S INDEPENDENCE DECLARATION

As lead auditor for the audit of the financial report of The Guardian Investment Fund for the year ended 30 June 2021, I declare that, to the best of my knowledge and belief, there have been no contraventions of:

- (i) the auditor independence requirements of the Corporations Act 2001 in relation to the audit; and
- (ii) any applicable code of professional conduct in relation to the audit.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

1 GENERAL INFORMATION

The Guardian Investment Fund ("the Fund" or "The Consolidated Entity") is a registered managed investment scheme domiciled in Australia and was formed to invest financial products and assets including in the commercial, industrial, retail and residential property sectors on behalf of the Fund's investors in accordance with its Product Disclosure Statement. The Fund mainly invests through special purpose vehicles established for each investment opportunity, and directly into financial instruments through sub-trusts, each of which form part of the Consolidated Entity.

2 STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies adopted in the preparation of the financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Basis of preparation

These general-purpose financial statements have been prepared in accordance with Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') and the Corporations Act 2001, as appropriate for the Consolidated Entity, a for-profit oriented entity. These financial statements also comply with International Financial Reporting Standards as issued by the International Accounting Standards Board ('IASB').

The Statement of Financial Position is presented on a liquidity basis. Assets and liabilities are presented in decreasing order of liquidity. The table below presents the amount expected to be recovered or settled after more than twelve months for each asset and liability line item that combines amounts to be recovered or settled within twelve months as at 30 June 2021:

	30 June 2021	30 June 2020
Assets		
Expected within 12 months		
Cash and cash equivalents	19,167	2,871,484
Trade and other receivables	1,228,089	1,014,413
Inventories	-	1,736,857
Investment	6,908,488	-
Other Assets	4,664,463	10,406,597
	12,820,207	16,029,351
Expected in more than 12 months	00 707 500	00 700 400
Other assets	22,767,502	28,768,188
	22,767,502	28,768,188
TOTAL ASSETS	35,587,709	44,797,539
Liabilities Expected within 12 months Trade and other payables	2,137,796	1,210,684
Trade and other payables	2,107,700	1,210,004
TOTAL LIABILITIES	2,137,896	1,210,684

The financial report has also been prepared on a historical cost basis, except for financial assets and financial liabilities held at fair value through profit or loss, that have been measured at fair value.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

2 STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

In the case of net assets attributable to unitholders, the units are only redeemable in accordance with the terms of the relevant Supplementary Product Disclosure Statement. The amount expected to be settled within 12 months cannot be reliably determined. Each class of unit is associated with its own sub-fund where investors have certain rights discrete from investors who hold other unit classes.

The preparation of the financial statements requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Consolidated Entity's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements, are disclosed in note 3.

New, revised or amending Accounting Standards and Interpretations adopted

The Consolidated Entity has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current half-year period.

Any new of amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

Master Fund information

In accordance with the Corporations Act 2001, these financial statements present the results of the Consolidated Entity only. Supplementary information about the masterfund is disclosed in note 22.

Principles of consolidation

The consolidated financial statements incorporate the assets and liabilities of all subsidiaries of The Guardian Investment Fund ('Fund' or 'Master Fund' or 'Unit Trust') as at 30 June 2021 and the results of all subsidiaries for the year then ended. The Guardian Investment Fund and its subsidiaries together are referred to in these financial statements as the 'Consolidated Entity'.

Subsidiaries are all those entities over which the Consolidated Entity has control. The Consolidated Entity controls an entity when the Consolidated Entity is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the Consolidated Entity. They are de-consolidated from the date that control ceases.

Intercompany transactions, balances and unrealised gains on transactions between entities in the Consolidated Entity are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of the impairment of the asset transferred. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the Consolidated Entity.

The acquisitions of subsidiaries is accounted for using the acquisition method of accounting. A change in ownership interest, without the loss of controls, is accounted of as an equity transaction, where the difference between consideration transferred and the book value of the shares of the non-controlling interest acquired is recognised directly in equity attributable to the parent.

Functional and presentation currency

These financial statements are presented in Australian dollars, which is the Consolidated Entity's functional currency.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

2 STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

Expenses

All expenses, including Responsible Entity's fees and custodian fees, are recognised in profit or loss on an accruals basis.

Revenue Recognition

Revenue is recognised when it is probable that the economic benefit will flow to the Consolidated Entity and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable.

Interest income

Interest income and expense is recognised in the statement of comprehensive income as it accrues, using the original effective interest rate of the instrument calculated at the acquisition or origination date. Interest income includes the amortisation of any discount or premium, transaction costs or other differences between the initial carrying amount of an interest-bearing instrument and its amount at maturity calculated on an effective interest rate basis.

Interest income is recognised on a gross basis, including withholding tax, if any.

Other revenue

Other revenue is recognised when it is received or when the right to receive payment is established.

Income tax

Under the current tax legislation, the fund is not subject to income tax provided it attributes the entirety of its taxable income, including realised capital gains, to its unitholders.

Distributions

Distributions are payable as set out in the Fund's product disclosure statement. Such distributions are determined by the responsible entity of the Fund. Distributable income includes capital gains arising from the disposal of financial assets and liabilities held for trading. Unrealised gains and losses on financial assets and liabilities held for trading that are recognised as income are transferred to net assets attributable to unitholders and are not assessable and distributable until realised. Capital losses are not distributed to unitholders but are retained to be offset against any realised capital gains.

Increase/decrease in net assets attributable to unitholders

Income not distributed is included in net assets attributable to unitholder. Where the Fund's units are classified as liabilities, movements in net assets attributable to unitholders are recognised in profit or loss as finance costs.

Financial Instruments - initial recognition and subsequent measurement

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

2 STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

Financial Assets

Initial recognition and measurement

Financial assets are classified, at the initial recognition, and subsequently measured at amortised cost, fair value through other comprehensive income (OCI), and fair value through profit or loss.

The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the Consolidated Entity's business model for managing them. The Consolidated Entity initially measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs.

In order for a financial asset to be classified and measured at amortised cost or fair value through OCI, it needs to give rise to cash flows that are 'solely payments of principal and interest (SPPI) on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level.

The Consolidated Entity's business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result from collecting the contractual cash flows, selling the financial assets, or both.

Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Consolidated Entity commits to purchase or sell the asset.

Subsequent measurement

For purposes of subsequent measurement, financial asset are classified in four categories:

- Financial assets at amortised cost (debt instruments),
- Financial assets at fair value through OCI with recycling of cumulative gains and losses (debt instruments),
- Financial assets designated at fair value through OCI with no recycling of cumulative gains and losses upon derecognition (equity instruments), and
- Financial assets at fair value through profit or loss.

Specific instruments - financial assets at amortised cost (debt instruments)

This category is the most relevant to the Consolidated Entity. The Consolidated Entity measures financial assets at amortised cost if both of the following conditions are met:

- The financial asset is held within a business model with the objective to hold financial assets in order to collect contractual cash flows, and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amounts outstanding.

Financial assets at amortised cost are subsequently measured using the effective interest (EIR) method and are subject to impairment. Gains and losses are recognised in profit or loss when the asset is derecognised, modified or impaired.

The Consolidated Entity's financial assets at amortised cost include loans receivable and preference shares.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

2 STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

Specific instruments - financial assets at fair value through profit or loss

The Consolidated Entity has not elected to irrevocably classify its equity instruments designated at fair value through OCI. Financial assets at fair value through profit or loss are carried in the statement of financial position at fair value with net changes in fair value recognised in the statement of profit or loss. This category includes investments in unlisted companies.

Specific instruments - cash and cash equivalents

Cash comprises current deposits with banks. Cash equivalents are short-term highly liquid investments that are readily convertible to known amounts of cash, are subject to an insignificant risk of changes in value and are held for the purpose of meeting short-term cash commitments rather than for investment or other purposes.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Consolidated Entity's statement of financial position) when:

- The rights to receive cash flows from the asset have expired, or
- The Consolidated Entity has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'passthrough' arrangement; and either
 - a) the Consolidated Entity has transferred substantially all the risks and rewards of the asset, or
 - b) the Consolidated Entity has neither transferred nor retained substantially all the risks and rewards of the asset but has transferred control of the asset.

When the Consolidated Entity has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if, and to what extent, it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Consolidated Entity continues to recognise the transferred asset to the extent of its continuing involvement. In that case, the Consolidated Entity also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Consolidated Entity has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Consolidated Entity could be required to repay.

Impairment of financial assets

Further disclosures relating to impairment of financial assets are provided in Note 3.

The Consolidated Entity recognises an allowance for expected credit losses (ECLs) for all debt instruments not held at fair value through profit or loss. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Consolidated Entity expects to receive, discounted at an approximation of the original effective interest rate. The expected cash flows will include cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

2 STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

ECLs are recognised in two stages. For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12-months (a 12-month ECL). For those credit exposures for which there has been a significant increase in credit risk since initial recognition, a loss allowance is required for credit losses expected over the remaining life of the exposure, irrespective of the timing of the default (a lifetime ECL).

For receivables, the Consolidated Entity applies a simplified approach in calculating the ECLs. Therefore, the Consolidated Entity does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. The Consolidated Entity has established a provision matrix that is based on its historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment.

For financial assets at amortised cost, the Consolidated Entity applies the general expected credit loss model. At every reporting date, the Consolidated Entity evaluates whether the receivable is considered to have an increase in credit risk using all reasonable and supportable information that is available without undue cost or effort. In making that evaluation, the Consolidated Entity reassesses the credit rating of the receivable. In addition, the Consolidated Entity considers that there has been a significant increase in credit risk when contractual payments are more than 30 days past due. When there has been a significant increase in credit risk since origination, the allowance will be based on the lifetime ECL. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows. Refer to note 3 for further details.

Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at the initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, and payables, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans, borrowings and payables, net of directly attributable costs.

The Consolidated Entity's financial liabilities include trade and other payables.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below for the material classifications:

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss.

Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term.

Gains or losses on liabilities held for trading are recognised in the statement of profit or loss.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

2 STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated at the initial date of recognition, and only if the criteria in AASB 9 are satisfied. The Consolidated Entity has not designated any financial liability as at fair value through profit or loss.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the amount is recognised in the statement of profit or loss.

Inventories

Inventories of the Consolidated Entity represent work in progress for the property developments. Inventories are measured at the lower of cost and net realisable value. Cost includes the cost of acquisition, and for development properties also includes development and costs of conversion incurred from the commencement of construction until the point of time that construction of the property is completed, and the property is ready for sale. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and estimated costs necessary to make the sale.

Trade and other Receivables

Receivables may include amounts for dividends, interest and trust distributions. Dividends and trust distributions are accrued when the right to receive payment is established. Interest is accrued at the end of each reporting period from the time of last payment in accordance with the policy set out in above. Amounts are generally received within 30 days of being recorded as receivables.

Trade and other payables

These amounts represent liabilities for goods and services provided to the Consolidated Entity prior to the end of the financial year and which are unpaid. Due to their short-term nature, trade and other payables are measured at amortised cost and are not discounted. The amounts are unsecured and are usually paid within 30 days of recognition.

Units issued, applications and redemptions

All redeemable units issued by the Fund provide the investors (including preference shares) with the right to redemption for cash and give rise to a financial liability. In accordance with the Product Disclosure Statement the Fund is contractually obliged to redeem units at the redemption price, however redemption is subject to the availability of surplus liquidity and at the approval of the Responsible Entity. Such units are classified as liabilities to the investors and are measured at amortised cost.

Goods and services tax

Management fees, custody fees and other expenses are recognised net of the amount of goods and services tax (GST) recoverable from the Australian Taxation Office (ATO). Payables are stated with the amount of GST included. The net amount of GST recoverable from the ATO is included in receivables in the statement of financial position. Cash flows are included in the statement of cash flow on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to the tax authority, are presented as operating cash flows. Commitments and contingencies are disclosed net of the amount of GST recoverable from, or payable to, the tax authority.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

3 CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities in future periods.

i. Judgements

In the process of applying the Consolidated Entity's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognised in the financial statements:

a) Classification and measurement under AASB 9 financial instruments

Under AASB 9, the Consolidated Entity initially measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs. Under AASB 9, debt financial instruments are subsequently measured at fair value through profit or loss (FVPL), amortised cost, or fair value through other comprehensive income (FVOCI). The classification is based on two criteria: the Consolidated Entity's business model for managing the assets; and whether the instruments' contractual cash flows represent 'solely payments of principal and interest' on the principal amount outstanding (the 'SPPI criterion').

The classification of the Consolidated Entity's financial assets are as follows:

- Debt instruments at amortised cost for financial assets that are held within a business model with the objective to hold the financial assets in order to collect contractual cash flows that meet the SPPI criterion. This category includes the Consolidated Entity's receivables and preference shares; and
- Equity instruments at FVPL for financial assets that fail the SPPI criterion. This category includes the Consolidated Entity's investment in an unlisted company.

a) Consolidation of special purpose vehicles

The Consolidated Entity holds preference shares in various special purpose vehicles as outlined in note 12. The Consolidated Entity does not hold voting rights in these special purpose vehicles, however, a director of the Responsible Entity holds various positions on the board as a protective right for the investors interests. The preference shares are held for the collection of interest and principal and are a passive investment in the underlying special purpose vehicle. Management do not consider that the position on the board represents control, or even that of significant influence, and therefore these special purpose vehicles are not consolidation into these financial statements.

ii. Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Consolidated Entity based its assumptions and estimates on parameters available when the consolidated financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Consolidated Entity. Such changes are reflected in the assumptions when they occur.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

3 CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS (cont'd)

Provision for expected credit losses on receivables

The Consolidated Entity uses a provision matrix to calculate ECLs for receivables. The provision rates are based on days past due for its contractual entitlements. The provision matrix is initially based on the Consolidated Entity's historical observed default rates. The Consolidated Entity will calibrate the matrix to adjust the historical credit loss experience with forward-looking information. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed. The directors of the Responsible Entity have assessed that as at 30 June 2021, there are no expected credit losses for receivables. Refer to note 10 for further details.

Provision for expected credit losses on other financial assets

The Consolidated Entity considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is a significant increase in credit risk the Consolidated Entity compares the risk of a default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition. It considers available reasonable and supportive forwarding-looking information. Especially the following indicators are incorporated:

- actual or expected significant adverse changes in business, financial or economic conditions that are expected to cause a significant change to the borrower's ability to meet its obligations;
- actual or expected significant changes in the operating results of the borrower;
- significant increases in credit risk on other financial instruments of the same borrower;
- significant changes in the value of the collateral supporting the obligation or in the quality of thirdparty guarantees or credit enhancements; and
- significant changes in the expected performance and behavior of the borrower, including changes in the payment status of borrowers in the group and changes in the operating results of the borrower.

A default on a financial asset is when the counterparty fails to make contractual payments within the maturity date of the contract.

Financial assets are written off when there is no reasonable expectation of recovery, such as a debtor failing to engage in a repayment plan with the Consolidated Entity. Where loans or receivables have been written off, the Consolidated Entity continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognised in profit or loss.

Income tax

Under the current tax legislation, the fund is not subject to income tax provided it attributes the entirety of its taxable income, including realised capital gains, to its unitholders.

4 GOING CONCERN

During the year ended 30 June 2021, the Consolidated Entity has incurred a net loss, before distributions paid to unitholders, of \$1,810,110 and net operating cash outflows amounting to \$1,430,981.

Despite the above performance, the directors of Guardian Securities Limited, the Responsible Entity of the Fund, after reviewing the cashflow forecast for the period until end of April 2023, have concluded the Consolidated Entity will be able to pay its debts and financial commitment for a period of more than 12 months after the signing of this financial report. The directors' assessment considered the following matters:

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

4 GOING CONCERN (Cont'd)

- As at 30 June 2021, the Consolidated entity had Net Assets before amounts payable to investors, of \$33.4m; and
- In line with the Product Disclosure Statement, preference shares have no defined term, but are due to be repaid on the completion of the projects; also, any distributions to the preference shareholders are subject to liquidity of sub-funds.

Accordingly, the directors of Guardian Securities Limited believe the Consolidated entity will be able to continue as a going concern and that it is appropriate to adopt the going concern basis in the preparation of the financial report.

5 CORRECTION OF ERRORS

During the year, management undertook a review of the financial statements and identified that an impairment on an investment in other financial assets (preference shares in SPV) was incorrectly recorded in the general ledger of the Consolidated Entity. The impairment loss in the SPV should have been applied first to ordinary shareholders, rather than to preference shares. The table below shows the adjustments and the restated balances:

	30 June 2020	Increase/ (decrease)	30 June 2020 restated
Other financial assets - Preference shares	38,259,803	914,982	39,174,785
Net Assets	42,671,873	914,982	43,586,855
Net assets attributable to unitholders (opening balance)	42,671,873	914,982	43,586,855
Allowance for expected credit losses and impairment	(2,903,896)	(914,982)	(1,988,914)
Total expenses from ordinary operations	(5,788,175)	(914,982)	(4,873,193)
Loss before finance costs and income tax attributable to unitholders Loss after income tax expense and before finance	(993,181)	(914,982)	(78,199)
costs attributable to unitholders	(993,181)	(914,982)	(78,199)
Change in net assets attributable to unitholders	(4,127,856)	(914,982)	(3,212,874)

6 NET ASSETS ATTRIBUTABLE TO INVESTORS – LIABILITY

Quantitative information about the Consolidated Entity's net assets attributable to unitholders is provided in the Statement of Changes in Net Assets Attributable to Unitholders.

The Consolidated Entity manages its net assets attributable to unitholders as capital, notwithstanding net assets attributable to unitholders are classified as a liability.

Investors within the Consolidated Entity are issued classes of units which correspond with the particular investment the investors are investing in. Classes of units are issued with a fixed term and no withdrawal rights. Investors in a class of units will have a proportional beneficial interest in the property corresponding to that class of units. Investors will not have a beneficial interest in a property corresponding to another class of units.

8 Expected credit losses and impairment

The following amounts were recognised as expected credit losses and impairment during the year:

	Note	2021	2020
		\$	\$
Additional impairment on investment in Rosedene		(1,878,255)	-
Reversal of previous impairment on Molecular Fund		1,957,506	-
Net impairment on investments	12	79,251	
Expected credit losses (on trade receivables)	10	(517,426)	-
		438,175	-

9 CASH AND CASH EQUIVALENTS

Palanasa as abaya

Consolidated 19,167 2,871,484

2 074 404

10 167

Cash held with banks 19,167 2,871,484

Cash at banks earn interest at floating rates based on daily bank deposit rates. Deposits at call earn interest at the respective short-term deposit rates. The Consolidated Entity's exposure to interest rate risk is discussed in note 15.

Reconciliation to cash and cash equivalents at the end of the financial year

The above figures are reconciled to cash and cash equivalents at the end of the financial year as shown in the statement of cash flows as follows:

		1,228,089	1,014,413
	Other receivables	3,539	4,818
	Provision for expected credit losses	(517,426)	-
10	TRADE AND OTHER RECEIVABLES Distribution receivable	1,741,976	1,009,595
	Balance as per statement of cash flows	19,167	2,871,484
	Balances as above	19,107	2,871,484

Trade and other receivables are considered fully collectable by the directors of the Responsible Entity. During the year, Fundus Trust No. 1 and Fundus Trust No. 2 were under receivership. As such, a provision for expected credit losses of \$517,426 is made to impair the receivables from these two trusts as at 30 June 2021 (2020: \$nil).

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

12 OTHER FINANCIAL ASSETS (cont'd)

The carrying value, prior to the provision for expected credit losses, of \$31,299,134 (2020: \$41,048,675) pertains to \$29,089,134 (2020: \$32,482,134) of preference shares held under the Development Income Fund sub-fund, \$2,210,000 (2020: \$2,210,000) of preference shares held under the Burnaby Terrace sub-fund and \$nil (2020: \$6,356,541) of preference shares held under Fundus No. 2 sub-fund.

Development Income Fund Sub-Fund

Preference shares are held in private companies undertaking property developments, of which \$25,221,965 (2020: \$29,578,238) are associated to a related managed investment scheme called SMSF Property Fund, and are invested through the Development Income Fund sub-fund. The preference shares are interest bearing at 12% per annum, are redeemable at the later of 12 months from the date of issue or at the time the underlying developments in the private companies are completed and sold, and have priority repayment security.

Fundus Trusts Sub-Fund

In February 2021, the Fundus Trust No. 1 and Fundus Trust No. 2 sub-funds have been placed into receivership and are currently engaged in ongoing litigation regarding this matter. While the responsible entity is awaiting a court outcome for the ongoing litigation, the estimated loss as the result of the litigation is \$3,565,261. The estimated loss (which is reflected in current year results until the date of de-consolidation) have been prepared on the "As If Complete" valuation as held by the receivers and managers. The underlying assets held by these sub-funds are subject to a greater level of uncertainty due to the completion and nature of legal proceedings.

Reconciliation of movement

Reconciliation of the fair values at the beginning and end of the current and previous financial year are set out below:

The Fund's assets principally consist of financial assets, such as preference shares and loans receivable, and work in progress inventories. It holds these investments assets at the discretion of the Responsible Entity and Investment Committee in accordance with the Fund's constitution and the relevant Product Disclosure Statements.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

15 FINANCIAL INSTRUMENTS (cont'd)

The allocation of assets between the various types of assets described above is determined by the Fund's Manager and Investment Committee who manage the Fund's portfolio of assets to achieve the Consolidated Entity's investment objectives.

The Consolidated Entity's investing activities expose it to the following risks from its use of financial instruments:

- Market risk
- Credit risk
- Liquidity risk
- Operational risk

The nature and extent of the financial instruments employed by the Fund are discussed below. This note presents information about the Fund's exposure to each of the above risk, the Fund's objectives, policies and processes for measuring and managing risks.

The Board of Directors of the Responsible Entity and Investment Committee has overall responsibility for the establishment and oversight of the Fund's risk management framework.

The Board and Investment Committee is responsible for developing and monitoring the Fund's risk management policies, including those related to its investment activities. The Fund's risk management policies are established to identify and analyse the risks faced by the Fund, including those risks managed by the Responsible Entity and Investment Committee, to set approximate risk limits and controls, and to monitor risk and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Fund's activities.

The Board and Investment Committee monitors compliance with the Fund's risk management strategies and procedures and reviews the adequacy of the risk management framework in relation to the risks faced by the Fund.

Market risk

Market risk is the risk that changes in market prices, such as interest rates and property values will affect the Fund's income. Market risk embodies the potential for both loss and gains. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return on risk. Market risk is management by the Board of Directors and Investment Committee.

Property value risk

The majority of the Fund's assts are in investment vehicles which participate in property development, or have property backed assets. As a result, the Fund is subject to property value risk from fluctuations in the prevailing levels of market property values. Changes in property values could have an effect on the net realisable value of the properties which would in turn impact the underlying value of the investments and hence unitholders funds. The Fund's exposure to property is restricted to residential and commercial property in Queensland which has shown signs of stability in recent times.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

15 FINANCIAL INSTRUMENTS (cont'd)

At reporting date, the Fund's financial assets are exposed to property value risk was:

		2021 \$	2020 \$
Other financial assets (preference shares)	Note 12	27,431,965	39,174,785
		27,431,965	39,174,785

Interest rate risk

A significant portion of the Fund's financial assts and financial liabilities are interest-bearing. Interest-bearing financial assts and financial liabilities have variable interest rates and/pr mature in the short-term. As a result, the Fund is subject to limited exposure to fair value interest rate risk due to fluctuations in the prevailing levels of market interest rates. Any excess cash is invested in an interest-bearing deposit account with an Australian regulated banking institution. The Fund's interest rate risk is monitored on a monthly basis by the Board of Directors and Investment Committee.

Interest rate profile

At reporting date the interest rate profile of the Fund's interest-bearing financial instruments was:

lists and the second the ite.		
	27,451,132	42,046,269
Other financial assets (net of impairment)	27,431,965	39,174,785
Cash and cash equivalents	19,167	2,871,484
Fixed and variable rate instruments		

Interest rate sensitivity

The variable rate instruments amount to \$29,240,326 (2020: \$33,058,326). The following table summarises the sensitivity of the Fund's operating profit and net assets attributable to unitholders to interest rate risk.

Interest rate risk	
+0.75%	-0.75%
165,000	(165,000)
165,000	(165,000)
	+0.75% 165,000

The Consolidated Entity holds fixed rate instruments amounting to \$2,210,000 (2020: \$5,441,975) as the rates of return are specified under the various Product Disclosure Statements and agreements. The directors manage the interest rate risk through these fixed rate instruments.

Credit risk

Credit risk is the risk that a counterparty to a financial instrument will fail to discharge an obligation or commitment that it has entered with the Fund. The Responsible Entity and Investment Committee manage the exposure to credit risk on an ongoing basis.

The Consolidated Entity's maximum exposure to credit risk at the reporting date was:

Cash and cash equivalents	19,167	2,871,484
Trade and other receivables	1,228,089	1,014,413
Other financial assets	27,431,965	39,174,785
	28,679,221	43,060,682

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

15 FINANCIAL INSTRUMENTS (cont'd)

All the cash held by the Consolidated Entity is held by Australian regulated banks. As such, the Responsible Entity and Investment Committee consider the risk to be low.

The Fund is exposed to credit risk on all other investments. As at 30 June 2021, the carrying value of \$34,340,453 (2020: \$39,174,785) is net of expected credit losses for those assets considered impaired or past due, and represents maximum exposure to credit risk.

Liquidity risk

Liquidity risk is the risk that the Fund will not be able to meets its financial obligations as they fall due. The Fund's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Fund's reputation.

In accordance with the Product Disclosure Statement the Fund is obliged to redeem units at the redemption price, however redemption is subject to the availability of surplus liquidity at the approval of the Responsible Entity. All classes of units are issued in accordance with the relevant Product Disclosure Statement with a fixed term and no withdrawal rights.

The Fund's liquidity risk is managed on a monthly basis by the Board of Directors and Investment Committee in accordance with the policies and procedures in place.

The following are the contractual maturities of financial liabilities, excluding interest payments and excluding the impact of netting agreements:

Carrying value	Contractual cash flows	0-6 months	6-12 months	1-2 years	More than 2 years

^{*} In line with the Product Disclosure Statement, preference shares have no defined term, but are due to be repaid on the completion of the projects; also, any distributions to the preference shareholders are subject to liquidity of sub-funds. In accordance with the Product Disclosure Statement the Fund is contractually obliged to redeem units at the redemption price, however redemption is subject to the availability of surplus liquidity and at the approval of the Responsible Entity.

Operational Risk

Operational risk is the risk of direct or indirect loss arising from a variety of causes associated with the Fund's processes, personnel, technology and infrastructure, external factors other than credit, market and liquidity risks such as those arising from legal and regulatory requirements and generally accepted standards of corporate behaviour. Operational risks arise from all of the Fund's operations.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

15 FINANCIAL INSTRUMENTS (cont'd)

The objective of the Responsible Entity and Investment Committee is to manage operational risk so as to balance the avoidance of financial losses and damage to the Fund's reputation with overall cost effectiveness and to avoid control procedures that restrict initiative and creativity.

The primary responsibility for the development and implementation of controls to address operations risk is assigned to the Responsible Entity and Investment Committee. This responsibility is supported by the development of standards for the management of operational risk in the following areas:

- Appropriate segregation of duties, including independent authorisation of transactions;
- · Requirements for the reconciliation and monitoring of transactions;
- Compliance with regulatory and other legal requirements:
- Documentation of controls and procedures;
- Requirements for the periodic assessment of operational risks faced, and the adequacy
 of controls and procedures to address the risks identified;
- Requirements for the reporting of operational losses and proposed remedial action;
- Development of contingency plans;
- Training and professional development;
- Ethical and business standards;
- Risk mitigation, including insurance where this is effective.

16 FAIR VALUE

Set out below is a comparison of the carrying amounts of the fair value financial assets:

	30 Jur	30 June 2021		ne 2020
Consolidated	Carrying amount	Fair value	Carrying amount	Fair value
Financial assets	\$	\$	\$	\$
Invested in unlisted company	-	-	115,024	115,024
	-	-	115,024	115,024

Fair value hierarchy

The following tables details the Consolidated Entity's assets and liabilities, measured or disclosed at fair value, using a three-level hierarchy, based on the lowest level of input that is significant to the entire fair value measurement, being:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date

Level 2: Inputs other than the quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly

Level 3: Unobservable inputs for the assets or liability

Consolidated	Level 1	Level 2	Level 3	Total
Financial assets	\$	\$	\$	\$
2021				
Invested in unlisted company	-	-	-	-
2020				
Invested in unlisted company	-	-	115,024	115,024

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

16 FAIR VALUE (Cont'd)

All financial instruments for which fair value is recognised or disclosed are categorised within the fair value hierarchy, based on the lowest level input that is significant to the fair value measurement as a whole. Level 3 valuation techniques are those which are unobservable. As outlined in Note 3, for the current investment in unlisted company held by the Consolidated Entity, the net asset value, estimate based on its unaudited balance as at 30 June 2021, best represents its estimate fair value of this investment. The Directors consider that the entity is in the early stages of commercialisation and there are material uncertainties around the unlisted private company's ability to commercialise.

There are material uncertainties around the unlisted private company's ability to commercialise including obtaining all the necessary council, state and federal approvals, entering into leasing arrangement of the operational facility, assembly and successful operation of the facility, securing contracts with customers and funding cashflow requirements through to commercialisation which impact the ability to readily calculate a fair value.

17 KEY MANAGEMENT PERSONNEL DISCLOSURES

The Directors of Guardian Securities Limited are considered to be Key Management Personnel of the Consolidated Entity. The Directors of the Responsibility Entity in office during the year and up to the date of the report are:

Guy Hasenkam Steven Maarbani

Craig Hart Resigned on 20 November 2020

Compensation

No amount is paid by the Consolidated Entity directly to the Directors of the Responsible Entity. Consequently, no compensation as defined in AASB 124 "Related Party Disclosures" is paid by the Consolidated Entity to the Directors as Key Management Personnel.

Guardian Securities Limited provides management services to the Consolidated Entity. Transaction between the Consolidated Entity and the Responsible Entity result from normal dealings with that Entity as the Consolidated Entity's Responsible Entity in accordance with the requirements of the relevant Product Disclosure Statement. Guardian Securities Limited is an Australian Financial Services License holder.

Guardian Securities Limited provides receives all management fees that have been paid by the Consolidated Entity during the year. The Consolidated Entity paid the following fees to the Responsible Entity during the financial year:

	2021	2020
	\$	\$
Management fees paid and payable to		
Guardian Securities Limited	839,032	731,783

Other

The Consolidated Entity has not made, guaranteed or secured, either directly or indirectly, any loans to the Directors and Key Management Personnel of the Responsible Entity, or their personally related entities, at any time during the financial year.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

17 KEY MANAGEMENT PERSONNEL DISCLOSURES (Cont'd)

No Directors and Key Management Personnel of the Responsible Entity, or their personally related entities, have entered into a material contract with the Consolidated Entity.

18 RELATED PARTIES

Parent Entity

The Guardian Investment Fund is the master fund of the Consolidated Entity.

Subsidiaries

Interest in subsidiaries are set out in Note 23.

Key management personnel

Disclosures related to key management personnel are set out in Note 17.

Transactions with related parties

The following transactions occurred with related parties:

2021 2020 \$ \$

Interest Income 2,114,348 3,819,083

Interest income has been received from SMSF Property Fund which is a registered scheme of which Guardian Securities Limited also acts as Responsible Entity. The preference shares are interest bearing at 12% per annum for four of the funds and 6% per annum for the other four funds, and are redeemable at a later of 12 months form the date of issue or at the time the underlying developments in the private companies are completed and sold, and have priority repayment security.

There are no other transactions with related parties during the financial year ended 30 June 2021 (2020: \$nil).

Investments, receivables from and payables to related parties

Preference shares (net of impairment)

25,221,965 29,578,238

These investments are within SMSF Property Fund, a registered scheme of which Guardian Securities Limited also acts as Responsible Entity. The preference shares relate to shares held in various special purpose property development companies established as part of the SMSF Property Fund group.

Trade receivables 1,280,843 975,892

Trade receivables are from SMSF Property Fund, a registered scheme of which Guardian Securities Limited also acts as Responsible Entity and related to interest income receivable on the preference shares.

Trade payable 877,803 177,114

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

18 RELATED PARTIES (Cont'd)

Trade payables are to Guardian Securities Limited, a related party of the Fund, and are connected with fees under the Product Disclosure Statements and recharges of costs to the Consolidated Entity.

There are no other receivables from or payables to related parties as at 30 June 2021 (2020: \$nil).

Apart from those noted above, the Consolidated Entity has no investment in related parties as at 30 June 2021 (2020: \$nil).

Related party investing activities

There are no related parties that have investments in the Consolidated Entity as at 30 June 2021 (2020: \$nil).

19 AUDITORS REMUNERATION

During the financial year the following fees were payable for services provided by Auditors. A related party, GSL Services Pty Ltd has agreed to pay the following fees, for services provided by RSM Australia (2020: PKF Gold Coast), its network firms and unrelated firms:

	2021	2020
Audit Services	\$	\$
Annual audit of financial statements	38,000	41,577
Half-year review of the financial statements	15,000	20,448
	53,000	62,025
Other services	10,500	17,800

20 CONTINGENT LIABILITIES

No contingencies related to the consolidated entity as at 30 June 2021 (2020: \$nil).

21 COMMITMENTS

There are no commitments, either capital, operating or finance, as at 30 June 2021 (2020: \$nil).

22 PARENT ENTITY INFORMATION

The Corporations Act requirement to prepare parent entity information statements where consolidated financial statements are prepared has been removed and replaced by regulation 2M.3.01 which requires the following limited disclosure in regard to the parent entity, The Guardian Investment Fund. The consolidated financial statements incorporate assets, liabilities and results of the parent entity in accordance with the accounting policy described in note 2.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

22 PARENT ENTITY INFORMATION (cont'd)

	30 June 2021	20 June 2020 Restated
	\$	\$
Total assets	35,587,325	47,271,957
Total liabilities	2,135,596	1,138,994
Net assets attributable to investors - liability	33,451,729	46,163,848
Total comprehensive (loss)	(2,965,268)	(1,943,242)
Change in net assets attributable to investors	(2,965,268)	(1,943,242)

In the prior year, Guardian Investment Fund, as the parent entity, recognised impairment expense of \$914,982 from its Investments in Chermside. However, as the parent entity holds preference shares, any impairment recognised in its investments should first be applied to the ordinary shares. The parent entity has erroneously recognised the impairment instead. As noted in Note 5, we have restated the 30 June 2020 balances to reflect the correct investment balances of the Consolidated Entity as at 30 June 2020.

During the year, Fundus Trust No. 1 and Fundus Trust No. 2 were also under receivership. We have impaired the investments held by TGIF to its net asset balance, as provided by the receivers. We have also restated the prior year beginning balancer to reflect impairment of \$2,665,990.

A summary of Investments held by the parent entity as at 30 June 2021 is as follows:

	Investment	Impairment	Investment
	balance		balance
Investment in Chermside	671,018	914,982	1,586,000
Investment in Fernvale	2,430,000	-	2,430,000
Investment in Glenvale	21,078,000	-	21,078,000
Investment in Rosedene	2,006,220	(1,878,255)	127,965
Investment in Syndicate 7	2,210,000	-	2,210,000
Investment in Fundus Trust No. 1	3,090,000	(1,495,549)	1,594,451
Investment in Fundus Trust No. 2	10,045,405	(4,735,702)	5,309,703
	41,530,643	(7,194,524)	34,336,119

Guarantees

No guarantees have been entered into by the parent entity in relation to debts of its subsidiaries as at 30 June 2021 (2020: \$nil).

Contractual commitments

The parent entity has no commitments of as at 30 June 2021 and 30 June 2020.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

22 PARENT ENTITY INFORMATION (cont'd)

Contingent liabilities

The parent entity has no contingent liabilities as at 30 June 2021 and 30 June 2020.

Significant accounting policies

The accounting policies of the parent entity are consistent with those of the Consolidated Entity, as disclosed in Note 2, except for investments in subsidiaries which are accounted for at cost, less any impairment, in the parent entity.

23 SUBSIDIARIES

These consolidated financial statements incorporate the assets, liabilities and results of the following sub-funds in accordance with the accounting policy described in Note 2.

		Hold	ing
Name of Entity	Country	2021	2020
Full Luck Fund Sub-Fund and controlled entity Full Luck	Australia	100%	100%
SJQ Investments Sub-Fund Pty Limited and controlled	Australia	100%	100%
Development Income Fund Sub-Fund	Australia	100%	100%
Molecular Mediation Sub-Fund	Australia	100%	100%

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

25 EVENTS SUBSEQUENT TO REPORTING DATE

No matters or circumstances have arisen since 30 June 2021 that have significantly affected, or may significantly affect the Consolidated Entity's operations, the results of those operations, or the Consolidated Entity's state of affairs in future financial years.

DIRECTORS' DECLARATION FOR THE YEAR ENDED 30 JUNE 2021

In the opinion of the directors of the responsible entity:

- the attached financial statements and notes comply with the Corporations Act 2001, the Accounting Standards, the Corporations Regulations 2001 and other mandatory professional reporting requirements;
- the attached financial statements and notes comply with International Financial Reporting Standards as issued by the International Accounting Standards Board as described in note 1 to the financial statements:
- the attached financial statements and notes give a true and fair view of the fund's financial position as at 30 June 2021 and of its performance for the financial year ended on that date; and
- there are reasonable grounds to believe that the fund will be able to pay its debts as and when they become due and payable.

Signed in accordance with a resolution of directors made pursuant to section 295(5)(a) of the Corporations Act 2001.

On behalf of the directors

INDEPENDENT AUDITOR'S REPORT To the Members of Guardian Securities Limited

Opinion

We have audited the financial report of The Guardian Investment Fund (the 'Scheme') and its controlled entities (together 'the Consolidated entity'), which comprises the consolidated statement of financial position as at 30 June 2021, the consolidated statement of profit or loss and other comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion the accompanying financial report of the Consolidated entity is in accordance with the *Corporations Act 2001*, including:

- (i) giving a true and fair view of the Consolidated entity's financial position as at 30 June 2021 and of its financial performance for the year then ended; and
- (ii) complying with Australian Accounting Standards and the Corporations Regulations 2001.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Consolidated Entity in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of Guardian Securities Limited, the Responsible Entity of the Scheme, would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The directors are responsible for the other information. The other information comprises the information included in the Consolidated entity's annual report for the year ended 30 June 2021, but does not include the financial report and the auditor's report thereon.

35

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Directors for the Financial Report

The directors of the Responsible Entity of the Scheme are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the ability of the Consolidated Entity to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Consolidated Entity or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at: https://www.auasb.gov.au/admin/file/content102/c3/ar1_2020.pdf This description forms part of our auditor's report.
